

Dear colleague,

On behalf of the executive committee of the **23rd IAGG World Congress of Gerontology and Geriatrics**, we are pleased to invite you to collaborate in promoting our upcoming congress, which will take place from **5 to 8 July 2026** at the RAI Convention Centre in **Amsterdam**, The Netherlands.

With the theme "**Ageing Well in a Globalised World**", IAGG 2026 aims to bring together leading professionals, researchers, and policymakers from around the globe to share insights, knowledge, and innovative approaches in gerontology, ageing and geriatric care.

On behalf of the executive committee, we are pleased to invite you to collaborate in promoting our congress. We kindly request your support in promoting IAGG 2026 through the following channels:

1. Website:

Please consider including the IAGG2026 congress in your event calendar or news section with the following details:

- **23rd IAGG World Congress of Gerontology and Geriatrics**
- **Theme:** Ageing Well in a Globalised World
- **Dates:** 5–8 July 2026
- **Venue:** RAI Amsterdam, The Netherlands
- **Website:** www.iagg2026.org

2. Social Media:

Follow IAGG 2026 on LinkedIn and invite others to do so too: [IAGG 2026 : overzicht | LinkedIn](#)

3. Newsletter:

Include a short feature on IAGG2026 in one of your upcoming newsletters. You can use this banner:

<https://content.congresscare.com/hubfs/78.%2023rd%20iagg%20world%20congress%20of%20gerontology%20and%20geriatrics%20ageing%20well%20in%20a%20globalized%20world%20-%20IAGG/Banner%202.jpg>

And add (parts of) the text below:

We are delighted to invite you to the **23rd IAGG World Congress of Gerontology and Geriatrics**, taking place **5–8 July 2026** at the RAI Amsterdam, the Netherlands. This global gathering brings together thousands of researchers, clinicians, policymakers, and innovators to shape the future of ageing. Click [here](#) for more information.

Spotlight on keynote speakers

We are proud to present an inspiring line-up of keynote speakers who will set the tone for an unforgettable congress:

- **Jugdeep Dhesi, PhD FRCP**, is a Honorary Professor at King's College London and Associate Professor at University College London, with research interests including preoperative assessment and optimisation, health services research and postoperative delirium. She is President of the British Geriatrics Society and Deputy Director at the Centre for Perioperative Care. Read more → [here](#)
- **Merril Silverstein, PhD**, holds the Marjorie Cantor Chair in Aging Studies at Syracuse University and serves as professor in the Departments of Sociology and Human Development and Family Science. His research focuses on aging in the context of family life using international-comparative perspectives, with an emphasis on intergenerational relations over the life course. Read more → [here](#)
- **Joyeeta Gupta, PhD**, is full professor of environment and development in the global south at the University of Amsterdam and IHE Delft Institute for Water Education. She has been appointed by the UN Secretary General as co-chair of the Ten High-Level Representatives of Civil Society, Private Sector and Scientific Community to Promote Science, Technology and Innovation for the SDGs for 2024-2026. Read more → [here](#).
- **Shereen Hussein, PhD**, is Professor of Health and Social Care Policy at the London School of Hygiene & Tropical Medicine. Professor Hussein is a leading international expert in ageing, long-term care, health and social care workforce systems, and migration. She currently directs the LSHTM Centre for Care Policy and Research and is the founder of the MENARAH Network, which advances ageing and health policy across the Middle East and North Africa. Read more → [here](#).
- **Reuben Ng, PhD**, is a behavioral and data scientist at the Lee Kuan School of Public Policy, National University of Singapore. He spent 20 years in government, consulting, and research. He is an expert in ageism, aging policy innovation, quantitative social sciences, and credited with creating innovative techniques to measure societal perceptions applied to policy communications. Showcase your work

This congress is not just about listening - it's about sharing your own insights and making your mark on the global stage.

We welcome abstracts on all themes related to ageing - whether your research addresses:

✓ Diversity & inclusivity

- ✓ Innovative technologies
- ✓ Sustainability in ageing societies
- ✓ Or any other topic in gerontology and geriatrics

Deadlines

- **Symposia proposals:** only one week left! Deadline: 1 October 2025
- **Abstracts for oral presentations & posters:** submission opens 1 September 2025

All accepted abstracts and symposia will be published in the *Journal of Global Ageing* and featured in the IAGG 2026 mobile app

 Click [here](#) for abstract submission details

Don't miss this opportunity to be part of the world's most influential congress on ageing. We look forward to welcoming you in **Amsterdam, July 2026!**

4. IAGG 2026 Powerpoint slide:

Use this powerpoint slide in your presentations in other upcoming relevant congresses:

<https://content.congresscare.com/hubfs/78.%2023rd%20iagg%20world%20congress%20of%20gerontology%20and%20geriatrics%20ageing%20well%20in%20a%20globalized%20world%20-%20IAGG/Save%20the%20date%20ppt%20slide.pptx>

As part of this reciprocal effort, we are happy to support promoting your event (if you have) across our platforms and look forward to sharing your key updates with our network.

Please let us know if you are open to this collaboration and if there are specific requirements or materials you need from us.

We value our partnership and are enthusiastic about joining forces to promote **Ageing Well in a Globalised World!**

Warm regards,

On behalf of the IAGG2026 Executive Committee,

Prof. dr. Martijn Huisman
